*Student expenses are estimates. You have control over how much you spend in this category.

Because of budget constraints, this study abroad experience will require a minimum number of participants in order to be feasible. For that reason,

Remember to purchase a REFUNDABLE airfare, or wait until you receive confirmation from UTD that the trip has reached minimum occupancy.

- Participants will be required to attend a group orientation held at least two weeks prior to departure.
- Students secure your own airfare. You must arrive on 5/24/18 and may not depart before 6/22/18.
- An application to the UTD Study Abroad Office is required before registering for this course.

I plan to follow the requirements, pay the required amounts to go on this trip, and acknowledge that **AFTER 3/1/18 MY UTD ACCOUNT WILL BE CHARGED THE \$500 NON-REFUNDABLE PROGRAM DEPOSIT.**
