ÖZYEĞİN UNIVERSITY

Pioneering Transformative Learning in Higher Education.

OzU is a non-profit, state-recognized higher education institution located in Istanbul, Turkey. Established in 2007, with distinguished academic staff, OzU brought experience and expertise together.

OzU's vision is to be a financially accessible and entrepreneurial research university. OzU aspires to be recognized nationally and internationally as one of the top ten in Turkey, Eastern Europe and the Middle East, one of the world's 200 best.

ÖZYEĞİN UNIVERSITY HIGHLIGHTS

- According to 2017 **Turkish University Satisfaction Survey** results, **OzU ranks number 1** amongst all Turkish universities. The survey has been conducted nationwide by the University Research Laboratory among 13,694 undergraduate students from 164 universities.
- OzU holds prime position, in the **Entrepreneurship Index** announced by the Turkish Ministry of Science, Industry, and Technology in the past 4 years. In 2016, **OzU ranked 8th among Turkish universities and 4th among the foundation universities.**
- 1st in the ranking of Turkish Universities founded after 2000 and ranked 8th in the General Ranking of Foundation Universities prepared by the **URAP Research Laboratory.**
- One of the most popular foundation universities in Turkey according to a study conducted by **Bloomberg Businessweek.**

- **Disability Support:** The support service is responsible for making life easier for students/staff with special needs.

CREDIT SYSTEM

Internationally Compatible Education System

At OzU, we use the European Credit Transfer and accumulation System (ECTS), a standard that enables easy transfer of credits and student mobility between European higher education institutions, which is **internationally compatible**.

| ECTS Grade | A | B | C | D | E | FX | F |
|------------|---------|---------------|---------------|----|---|----|---|
| Özyeğin U. | A A- | B+ B B- | C+ C C- | D+ | D | I | F |

INTERNATIONAL OFFICE

Multidimensional diversity

OzU believes that internationalization enhances the quality of education and research. OzU aims to create **an environment that provides multiple opportunities for intercultural exchange.**

OzU welcomes a comprehensive internationalization strategy:

- **Multicultural** study environment: International students represent 56 different countries on OzU campus.
- OzU does not discriminate students, faculty and staff members based on sexual orientation, religion, age, race, color, gender identity, national /ethnic origin, creed or disability.
- **All academic programs are offered in English**, except for the Faculty of Law, which offers a number of courses in English/German for international exchange students.
- **International collaboration:** 100 Erasmus+ agreements with 76 institutions and 18 Global exchange agreements in more than 26 countries. [\(click here for the list\)](#)
- OzU International Office, Exchange Program Coordinators and buddy students offer **academic, personal and cultural support** to all incoming exchange students.

OZU CAMPUS

OzU Campus is Turkey's first LEED-certified green campus, which lays out on 197.000 m2 area, located approximately 30 minutes away from the Sabiha Gökçen International Airport.

LIBRARY

OzU library heavily make use of educational technologies in pursuit of serving its patrons 24/7 with its 45,000 printed books, over 370.000 e-books, and more than 79.000 e-journals. Constantly developing its technological facilities and e-collections, the library endeavors to present top notch electronic information resources to its users.

DORMITORIES

Living on campus

- OzU Campus dormitories are home to our 2626 students.
- Rich array of housing options provide a **warm, safe and home-like atmosphere**.
- Situated in a walking distance to the academic buildings.
- Rooms are equipped with a fridge, for 1 to 4 persons with or without bathrooms.
- Wide range of amenities for common use including individual or group study rooms, lounges and guest rooms, TV rooms, cafeterias, health centers, security, ambulance service and ATMs. **Free services also include 24/7 hot water, laundry/cleaning and Wi-Fi.**
- **International students** are given priority in housing assignments. School shuttle buses provide transportation from OzU campus to several destinations throughout the city.

SPORTS AT OZU

Physical education and sportive activities complement our students' physical and social development during their intensive academic studies. These activities are highly valued at Özyeğin University and are an integral part of academic and social events.

[OzU Sports Teams](#) represent Özyeğin University in national and international public and private tournaments/athletic events with its more than 30 women's/men's teams in different categories.

SUMMER SCHOOLS

- Summer term is the third semester period of Ozyegin, offering courses from all faculties. Summer sessions last up to eight weeks; typically seven weeks of lecture followed by a week of exam period.
- Credits taken during the Summer School are equivalent with the credits taken during the fall and spring semesters.

ISTANBUL

With almost 15 million residents, **Istanbul offers an unparalleled experience to its visitors, short or long term, with its rich history, architectural variety and artistic dimension.** Istanbul is a vibrant city with a wide range of activities 24/7: concerts, festivals, high quality world cuisine and local restaurants, and internationally celebrated museums and exhibitions.

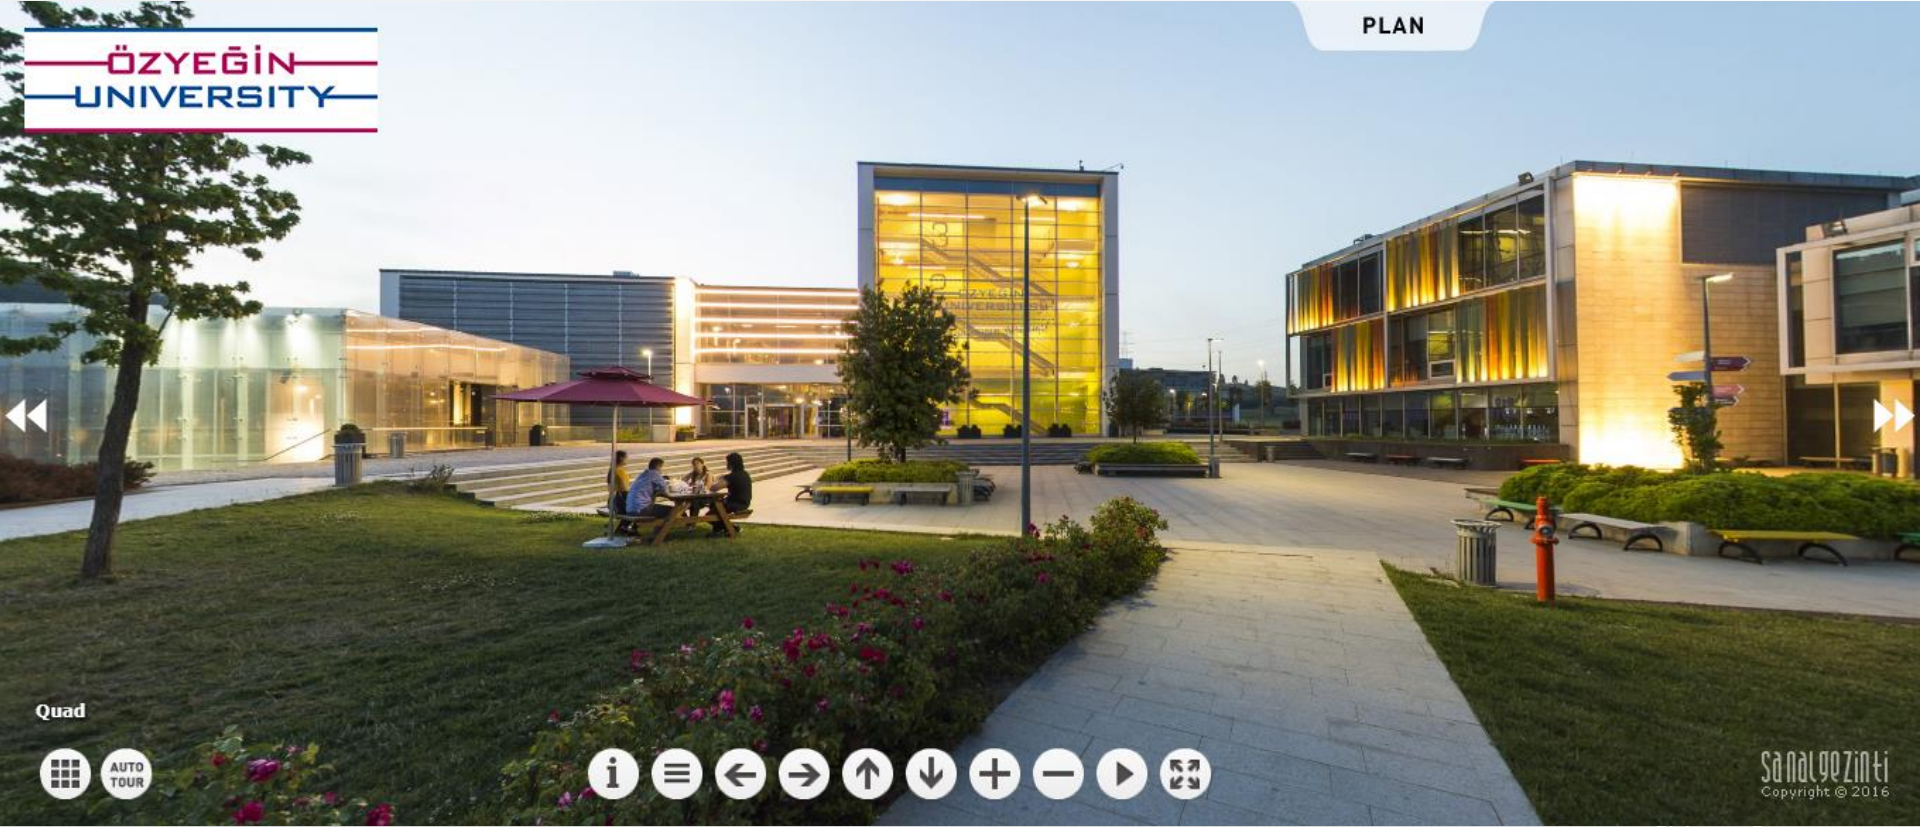

SAFETY @ OZU

- OzU Campus is situated in a safe location, located 40 minutes drive away from the city center.
- The **Emergency Call Center is open 24/7** and can be contacted by all OzU members & students.
- On the university premises, including the dormitories and faculty buildings, uniformed security members serve on all gates checking ID's and vehicles.
- To ensure the campus safety, the surveillance of public areas is a significant component of OzU campus, which is monitored by the chief security members abiding the protection of personal data law.
- OzU Health & Safety and Environment (HSE) Unit is responsible for the management of system standards pertaining to on-campus health, safety, and environment systems.
