Notes:

1. Most schools of Southeast University(SEU) can host exchange students doing research. SEU will help them to find supervisors;
2. English-taught courses for graduate students are also available to exchange undergraduates;
3. SEU provides free Chinese language courses for exchange students;
4. Exchange students must go to International Students Office, College of International Students for consultation before leaving SEU after completion of their exchange study, otherwise they will fail to get transcripts.
